Sir:

**REQUEST FOR REFUND**

This request accompanies a response to a Notice of Incomplete Reply. Applicants filed a response to the Notice to File Missing Parts on July 24, 2001, which was received by the Patent Office on July 27, 2001 as stated on the Notice of Incomplete Reply. Applicants' reply was considered incomplete because drawings with correct margins were not enclosed with the response to the Notice to File Missing Parts. Applicants were informed of the incompleteness of the reply to the Notice to File Missing Parts by the mailing of the Notice of Incomplete Reply.

The Notice of Incomplete Reply was mailed on September 28, 2001, more than two months after the response from Applicants was received. As a result, Applicants must pay a 4 month extension of time fee. Because of the undue delay on the part of the Patent Office in waiting over two months to inform Applicants of the incompleteness of the reply, Applicants respectfully request that they be refunded the difference between the three month extension fee and the four month extension fee, as it would be reasonable for the Initial Patent Examining Division to respond to Applicants submission within one month. Accordingly, it is respectfully requested that the amount of \$520.00 be credited to Deposit Account No. 23/2825. A duplicate of this sheet is enclosed.

Respectfully submitted,
